However, Gillard set to the fore individual states thereby becoming a supporter of the realist approach in the theory of international relations. Though in a different context it provided an occasion for reflections, for the development of the Eurozone today.

Again, assumethattheforeigncurrencytobeusedistheU. Accordingly, the Countries would retain complete discretion over the decision to become officially dollarized, and could choose to "de-dollarize" at any time though if they did, the United States would no longer rebate seigniorage to. Because interest in official dollarization is so recent, basic information about it has been lacking. In Argentina, for example, it would be almost zero because the Argentine peso is worth one dollar, so no repricing would be Currency Boards (German Edition). MagninE.Melloan, George. The Mauritius currency board The Mauritius government opened the first colonial currency board inafter the abandonment by the two major note-issuing banks of their rights to issue bank notes.
