The government of William Pitt the Younger, already at war with revolutionary France, was thoroughly alarmed by the prospect that revolutionary ideas might be exported to Britain, and it responded to these ideas with political repression. Those actions reassured employees that the organization would tackle the layoffs in a professional and humane fashion. There is a rumor that he had converted to Catholicism near the end of his life, but there is no document to support this rumor. The crisis was averted. The sector has undergone prodigious growth since the turn of the century.
