Back in Haifa after their initial trip to Lesvos, Essam and Maria realized what was and still is severely lacking in humanitarian relief for refugees: comprehensive mental health treatment. Read on to learn more about these extraordinary folks!

If you're like me and don't enjoy hanging out with strangers to chat in your tar. Rarely an easy task! More recently, I've also had trouble committing time.

Her research is based in software engineering and focuses on testing highly complex systems. We are here, traveling with him, following his random itinerary, dreaming his dream within a dream, seeing him weaving his immortal plots. So, do we have her expose the kids who are already English dominant, but understand Italian – to Portuguese?
