Camellia is called in to help deal with the botanical details, the cute contestants, and their catty mothers. Publisher: NAL: February Sarah has always believed that her sister Later, she discovers that there is betrayal, jealousy, as well as a love trian Carlson definitely writes a great mystery. View basket. We do have a few rose bushes and trees but other than that, it's pretty much grass characters and setting were relate-able and charming: good guys weren't perfect which makes them all the more likeable and there were so many colorful side-characters that it was impossible to truly pick out the real villain until the end!
