London: James Elliot, Far longer is the Zohar or Book of Splendour, which is in fact a series of books and dialogues of some complexity. If popular Jewish books played a lesser role in the emergence of new doctrines, they nonetheless reflect changes in the transmission of rabbinic sources and in reading practices, at a time when mysticism was taking a greater place in religious life and when new means of appropriating canonic texts were spreading to less educated readers.

In several stories it consistently turns Phinehas b. Plot 2 is about the visionary landscape of the medieval Castilian kabbalists, how they commune with the spirits of the dead saints, their impulse to reveal kabbalistic secrets, their own desire to forge a hevraya, a mystical fraternity, and about their Christian surroundings, similarly populated by saints, sinners, pilgrims, hermits, mystics and holy men. Jellinek directed attention once more to Moses de Leon. Research

concerning the authorship and chronology of the zoharic strata is on-going, though most scholars agree that the main body of the Zohar was written by Rabbi Moses de Leon and perhaps some others in his circle toward the end of the thirteenth century into the beginning of the fourteenth.
