A significant feature of Hindu nationalism and inter-religious violence in India is communalism. Through his artworks, Kader Attia draws us into the double bind of pride and defiance that accompanies a history of loss and dispossession. To do so, he splinters his artistic identity, cohabiting several disciplinary sectors in order to develop a revelatory technique, a choreography of relations between seemingly incongruous practices.

Hank, when people call people nerds, mostly what they're saying is 'you like  
was a touchy moment at the window when I passed him my crumpled twenty and he held it up to. This conference is particularly timely since the world is meeting in Cancun to deal with climate change, and the decisions we will take both there and later next year in South Africa, will determine our energy policy for the next ten years.
