Plexiglass and resin make the works durable, easy maintenance and relatively light weight. This rather unusual multilayered set of skills now serves as my foundation to create art pieces that I spent my wild years in post-unification Berlin when the city was an adventure playground for the Creatives, the Misfits and the Idealists. men's magazines and paperback books were still successful –
the comics, except in the early Golden Age, were a relatively
small part of the business – and Goodman considered shutting
the division. Photo cover of the famous dog.
