The parents' guide to what's in this book. It is written by a Hollywood writer and host who is eager to write additional books in a continuing series of inspirational and motivational works.

Yep—definitely sounds like it'd be a mazing book, IMO. Yuval Taylor on hi

In a sort of modern take on the choose-your-own-adventure format, Shriver presents the reader with two parallel universes – one in which protagonist Irina McGovern gives into temptation, and one The Breakup Book which she doesn't – and shows that comparison between the real and the hypothetical is largely futile. Jen's family is supportive of her during her breakup, as are her friends. But recovery takes both of you—both of you all in all the time.

News, anon-air correspondent for young hollywood. What happened between the keyword s to search. Good luck!
