Other scholars present reasonable arguments that Paul was only a mythical character patterned after Apollonius. These are clearly not translation errors or typos, of which the book has very few for such a heterogenous collection. In particular, it is by no means clear whether the editor of the independent collection took the letters out of Philostratus, or whether he found them elsewhere, possibly in a source shared with Philostratus.

Members of Aboriginal, Torres Strait Islander and Maori communities are advised to learn more about how to request items watch this short online video. In my detailed consideration of the book, it will be more convenient to deal first with sections 1 and 3 Letters and Hierocles and then with section 2 testimonia.
