But I never begged; I worked. This can happen quite fast, by
the way, shall we say in ten minutes? The cypress- trees that
had tossed and hissed during the winds of winter now stood
straight and sleek against the sky, covered with a misty coat
of greenish-white cones.

His first action was to take it to his room, strip it down and
clean it, while I stood and watched, fascinated by the
gleaming barrels and stock, sniffing rapturously at the rich
heavy scent of the gun-oil. The behaviorist is correct,
dominant dogs will always have to be controlled. Krahn is the
