PDF | On Oct 15, , Bernd Kortmann and others published World Englishes between simplification and complexification.

## **Will English as a lingua franca impact on native English? - Ian MacKenzie**

Let us turn to the latter, more far-reaching issue first, namely to the notions of complexity/ complexification vs. simplicity/simplification. These are currently widely.

### **[PDF] World Englishes between simplification and complexification - Semantic Scholar**

Let us turn to the latter, more far-reaching issue first, namely to the notions of complexity/ complexification vs. simplicity/simplification. These are currently widely.

But the question in my title remains to be answered: will English as a lingua franca impact on native English? I will argue below that today, non-native ELF or ESL speakers who find themselves for any length of time in inner circle countries are more likely to accommodate to the local majority than vice versa, even if this was not always the case in centuries past.

Matti Miestamo 9 Estimated H-index: 9. International Journal of Applied Linguistics  
Global feature - local norms? They find things like inflections and grammatical gender and agreement hard to learn, so they tend to simplify, or indeed pidginize Trudgill : 35 the language they are learning, by regularizing irregularities, increasing morphological transparency replacing synthetic structures with analytic ones and reducing redundancy, while also transferring elements from their L1. McWhorter puts forward some ideas how to measure grammars but none of them see details. Tables and Topics from this paper.
