I had no idea how and where I was going to fit another baby... I was still trying to
I started training with a great group of friends and six months later I crossed the finish line, carrying my babies in my heart. The nurse called my name and we went into the room. I can see it being polarizing and would understand why... Thank you for talking about miscarriage on your site! We started looking at baby things at the stores and considered names. Thank you for NOT being silent about it.
