The measures announced by China at the last Forum have been fully implemented. World Bank. Review, Analysis, and Outlook. It was in fact one of the worst cyclones that we have experienced in the past 30 years in the Cook Islands that brought our countries. I would be misleading this Conference if I did not say at the outset that our social development prospects are not as bright as the economic outlook. Like several areas of government spending, the budgetary allocation to the health sector needs to be boosted and at the same time protected against expected national revenue shortfalls and unexpected downward revisions of budgets.

Primary and secondary school development have been and continue to be assisted. Where accommodation is available, this is expensive, and where transportation services are available, they are expensive or irregular; hence the cost of seeking health care becomes a major constraint. Such a base would give China a foothold for operations to coerce Australia and outflank the US and its base on Guam.
